SKILLS

PROGRAMMING

- Python
- Java
- C / C++
- C#
- SQL
- PHP

WEB DEVELOPMENT

- HTML
- CSS
- JavaScript

CYBERSECURITY

- Fundamentals of Cybersecurity
- Basic Networking
- Kali Linux

DATABASES

- MySQL
- RDBMS

TOOLS

- Git & GitHub
- Excel
- Linux
- Windows

LANGUAGES

Gujarati Native

Hindi Fluent

English Professional

PROFILE

Motivated Information Technology student with hands-on experience in data analytics, cybersecurity fundamentals, and software development. Currently contributing as a Data Analysis Intern at a pharmaceutical firm, converting raw business data into clear, actionable insights. Eager to build secure, data-driven applications and deepen expertise in cybersecurity and modern software engineering.

EXPERIENCE

Data Analysis Intern — WellTrade Surgipharma Pvt Ltd

Dec 2025 – Present

Surat, Gujarat, India

- Cleaned and processed pharmaceutical business datasets in Excel, ensuring accuracy for reporting.
- Designed interactive dashboards visualising sales and purchase trends to support management decisions.
- Built a Python-based web interface for real-time business data visualisation and stakeholder reporting.
- Converted complex raw data into clear KPI summaries and trend reports for senior review.

PROJECTS

Medical Company Data Analytics Dashboard

Python SQL JavaScript Data Visualisation

Built a full-featured analytics dashboard to track KPIs, visualise patient and business data, and generate actionable insights — deployed as an interactive web application.

Network Vulnerability Scanner

Python Kali Linux Basic Networking

Developed a Python tool to scan network hosts, enumerate open ports and services, and flag potential vulnerabilities, applying cybersecurity and network fundamentals.

Secure Login System

JavaScript C# SQL Cryptography

Implemented a secure authentication system with bcrypt password hashing, session management, and SQL integration following cybersecurity best practices.

EDUCATION

Bachelor of Information Technology	<i>In Progress</i>
Veer Narmad South Gujarat University Surat, Gujarat, India	
Higher Secondary (11th – 12th)	Completed
M.T Jariwala High School Surat, Gujarat, India	
Secondary (10th Std)	Completed
M.T Jariwala High School Surat, Gujarat, India	

CERTIFICATIONS

Tata – GenAI Powered Data Analytics Job Simulation	Mar 2026
<i>Forage</i> Forage Virtual Experience	
Completed a job simulation focused on AI-powered analytics, using generative AI tools for business data interpretation, insight generation, and presenting findings to stakeholders.	
Tata – Cybersecurity Analyst Job Simulation	Mar 2026
<i>Forage</i> Forage Virtual Experience	
Simulated the role of a cybersecurity analyst — covering threat identification, risk assessment, security advisory writing, and enterprise security recommendations.	
Deloitte Australia – Cyber Job Simulation	Nov 2025
<i>Forage</i> Forage Virtual Experience	
Worked through real-world cybersecurity scenarios including data breach response, digital forensic analysis, and writing professional security advisory reports for clients.
